Re: Freedom of Information Act Request Number 10-RIN-812-91

Dear Mr. Wolfe:

This is in response to your Freedom of Information Act (FOIA) request letter received by the Environmental Protection Agency (EPA) on June 10, 1991, regarding the Chemical Processors, Inc. (Chempro) - Pier 91 facility, located in Seattle, Washington.

Chempro - Pier 91, is still subject to the 3008(h) Corrective Action Agree Order signed under the Resource Conservation and Recovery Act (RCRA) by EPA on May 7, 1990. Chempro has submitted a draft RCRA Facility Investigation (RFI) on September 4, 1990, and is currently awaiting a response from EPA regarding their RFI. For further information on the status of our response to Chempro's RFI, contact Dave Croxton of the RCRA Permits Section at (206) 553-8582.

If you would like to make an appointment of review the voluminous Chempro - Pier 91 facility files, please contact Stephanie Kercheval at (206) 553-1260 within 10 (ten) days of receipt of this FOIA letter. If we do not hear from you, we'll assume you're satisfied with this information and will closed this FOIA request.

This is the EPA Region 10 interim response to FOIA request number 10-RIN-812-91.

Sincerely,

*David A. Lutz*
